

Past Achievements

The student council have improved the school in many ways since they were established.

All groups have been a voice for the student body and have worked with the management of the school over the years. Some of the efforts of the group have focused on the improving facilities for students within the school. They have also been leaders in the school when it comes to the welfare of the student body.

Annual achievements

For example, every year the student council visit the sixth class students in the local primary school to talk to them about starting secondary school and in doing so taking the opportunity to allay any fears that the incoming first years may have. The student council are also present to welcome the first years when they arrive on their first day of school.

The council also have a coffee morning for students who are new to the school outside of first year. The purpose of this is to make students who are new into their year group feel welcome and support them if they have any issues with respect to settling in.

Every year the student council decorate the canteen for Christmas.

Facilities

In the past, they have also improved student facilities in the school such as having water fountains reinstalled and have had a vending machine put in for the students.

School Policy

The student council regularly give input with regard to school policy and practices for example they were consulted when changes were made to the school uniform.
