Attendance and Punctuality

**Policy and Statement of
St. Mac Dara's Community
College**

Mission Statement

"We, the community this College, through a caring and collective approach, aspire to provide a broad-based education for all, to foster respect and dignity and to promote a safe and just environment by positively encouraging all to realise their potential."

All students are encouraged to attend and be punctual for school each day. The attendance and punctuality system is explained to students by their class tutor and for year head at the start of each school year and on a daily and monthly basis throughout the school year.

Registration

A register of student attendance is taken at 8:40am each morning. This is marked on VSWare and monitored by the administrative office. This information is updated to take account of students who are late.

Punctuality

A lateness record for a student late for registration is recorded on VSWare by the Tutor. This information is processed by the lateness officer for the information of management. Students who are going to be late or were late for registration are expected to have a signed Dated parental note/VSWare permission slip for the tutor.

Reporting on attendance

Students who have missed 10 days and 20 days and will/may have a letter sent out to parents/guardians. Absences for each student are calculated and parents of students who present a concern are contacted.

Students who are absent for more than 20 days in the school year are referred to the National Education Welfare Board by the Principal and the parents/guardians are informed.

A comment on individual student attendance is included on all official school reports sent to parents.

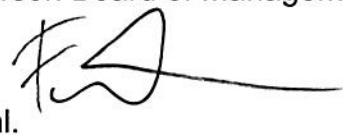

Students leaving the building

If students need to leave the building other than at lunch-time or the end of the school day, they must sign out in the book kept in the front office. Students leaving early need a note from a parent or guardian in their journal and the written permission of a Year Head or Assistant Principal. Students going home sick during the day need to have a note (green slip) signed by Deputy Principal or Principal.
